Comments on the year:

We have organized 71 events divided in 6 regions. Plus 3 Ranking Events.  
We had a great number of foreign entries at our National Championship.  
We are trying to have relationships with other NCA. Spanish competitors have participated in the FRA Tricastin Cup, FRA Nationals, GBR Nationals and European Championship.

One of our Skippers Juan Marcos Egea got the 2<sup>nd</sup> place in the Europeans.

We would like in a near future to organize an International Event.

A new Chairman is coming.

Our accounts are healthy.

Nothing else to comment, everything is running in a normal way.

Best regards,

Miguel Salvador  
ESP NCA Chairman
